Ginger

Poltrona Frau | Roberto Lazzeroni | 2011 | Imported from Italy

Features and Specifications

Side Chair
The shell is comprised of a molded composite thermoplastic polymer, which is upholstered using a single piece of 4mm thick Saddle Extra leather. The inner surface of the seat is upholstered in Color System leather. Visible topstitching runs along the outside edges. The seat is padded with polyurethane foam. The base has four legs made of ash wood with a triangular profile. The supporting frame is black painted steel. A swivel option with automatic return is also available.
