Audio Lantern
Portable and rechargable, UMA features a diffused polycarbonate lens with a steel grille and silicone feet. Each lantern is equipped with two interchangable leather handles (one grey and one tan) and a protective cotton bag with a leather drawstring. Bluetooth connectivity provides rich, 360 degree sound with touch sensitive volume control. An intuitive full range light control dial adjusts state of the art warm dim LED technology.

ADDITIONAL NOTES

UMA ships flat packed. All UMA lighting is TUV, CE, FCC, and RoHS certified and is 97% recyclable.
