

Lively®

Task and Side Seating

Lively task and side seating bring advanced features, smart ergonomics, and a light-scale aesthetic to create comfortable, inspiring environments where people can do their mind's best work. Its thin profile and countless fabric options let you pick a design that's all your own. Blend in or furnish your space with bold style—all at an affordable price that doesn't compromise quality.

HAWORTH®

Comfort You Can Count On

With Lively, you benefit from Haworth's industry-leading ergonomic research and human performance in a chair that's engineered to rest and support your body. Like all Haworth task seating, Lively has a stringent warranty for worry-free maintenance so you can count on its longevity. Complement task seating with the Lively side chair to provide guest seating or enable collaborative activities.

Features

Lively blends comfort-enhancing ergonomic features, performance-tuned quality, and contemporary design to support people for the long term.

Tension Back – Provides proper support through strategically tensioned zones and torsional flex to ensure movement throughout the day; material offers breathability for temperature comfort; fully-upholstered version with a slim foam pad also available.

Optional height-adjustable lumbar – Allows four inches of adjustment to support the natural curvature of your spine.

Pneumatic seat height – Ensures lower limb comfort and eye level.

Mechanism – Enables a comfortable, relaxed posture through weight-assisted tilt tension.

Standard back lock – Allows you to lock the seat back in an upright position for computer tasks.

Frame and base – Available in standard plastic with black finish.

Statement of Line

Task Chair

Side Chair

Arms – Ensure comfort and proper support of the neck, shoulders, and back in different working postures; choose from 4D (adjust in height, side-to-side, front-to-back, and pivot), height-adjustable, or fixed arms; armless model also available.

Optional forward tilt – Adjusts downward from initial position to support an upright, forward posture.

Optional Seat-Depth Adjustment – Reduces pressure behind your knees through its 2-inch sliding seat adjustment and waterfall edge.

Optional glides or casters (side chair) – Offer choice for stackability or mobility.

Stacking (side chair with glides) – 5-high on the floor to free up floor space.

Side chair – Complements task seating; available in tension back or fully-upholstered; fixed arms or armless.

Colors, Materials, Finishes

Choose from nine colors for the tension back and a wide range of textile options for fully upholstered chairs. Leather and faux leather are available for both task and side chairs.
