

BuzziSpark

BuzziSpace | Alain Gilles | 2018

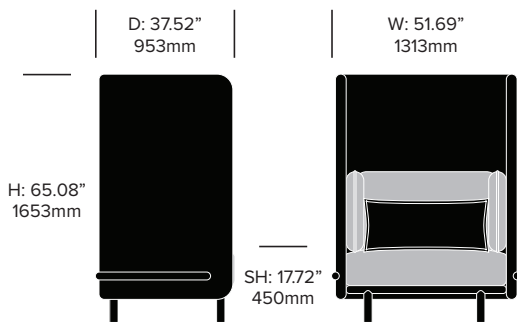

Relax into the comfort of an acoustic shelter with BuzziSpark. In open floor plans, it creates a private meeting space or alternative workstation for uninterrupted focus. BuzziSpark offers varying degrees of privacy, with medium or high backs that absorb sound, while open ends allow spontaneous interactions. Choose from a lounge chair, two or three seat sofa, and optional cushions to create an inviting oasis in social settings.
