Cabana Lounge™ | Seating

IN TODAY'S WORKPLACE, THE BEST EXPERIENCES ARE BUILT UPON VARIETY, CHOICE, AND AUTONOMY. PEOPLE NEED BOTH "ME" AND "WE" SPACE—DESTINATIONS FOR FOCUS WORK AND INTERACTION. WHEN EMPLOYEE COMFORT AND WELL-BEING ARE TOP WORKPLACE ISSUES CHALLENGING ORGANIZATIONS, ACTIVITY-BASED, FLEXIBLE FLOORPLANS OFFER THE BALANCE REQUIRED TO INSPIRE CREATIVITY AND SUPPORT SOCIAL CONNECTIONS.

## Cabana Lounge

---

Cabana Lounge is the first sofa system designed to deliver optimal user performance, comfort, and design for unique destination spaces in the office environment. Its flexible space design enables effective individual and collaborative work. Cabana Lounge is thoughtfully designed with a light-scale aesthetic and attention to detail—just what you'd expect from our collaboration with Patricia Urquiola.

## The Center of Work is Wherever You Sit

Born from observing people at work, Cabana Lounge provides enhanced user performance and comfort through more personal space and a smaller footprint. Its upright back feature and shorter seat depths were designed specifically to promote upright, engaged postures for working. Sofas are appropriately sized for two people to collaborate in comfort while taking up less floor space.

## Get Away without Going Away

Cabana Lounge lets designers create levels within a space for a varied, dynamic landscape without blocking the view for people nearby. Unique configurations offer different points of focus, complemented by various elements—seats, backs, arms, and screens—that create space division and the destination variety people need to perform.

## We Work in the Moment

Cabana Lounge responds to the ever-evolving nature of work and the landscape of today's work environments as a sofa system for the temporary moments of work. Its simple, modular statement of line includes thoughtfully integrated worksurfaces, embedded power options, visual privacy, and application flexibility. Ganged and freestanding tables and accessories provide tools to accommodate both focused and collaborative work.

## Design Choices

Cabana Lounge offers a light-scale aesthetic and visual comfort through elegant organic shapes, a mix of materials, and attention to detail to create warm, inviting environments. Choose from our carefully selected palette of textiles with a focus on craftsmanship, which complement wood surface and cast aluminum leg color options.
