

PREMISE®

HAWORTH®

With PREMISE, Haworth Design Studio established a reference point for others to follow. Its unique combination of design and application freedom, innovative technology solutions, and price scalability have made PREMISE the leading choice for companies around the globe.

Through the broadest offering of any single-panel system, PREMISE satisfies a wide range of applications. What's more, Haworth has continued to invest energy and resources into the line to ensure that it responds to organizations' emerging needs. From open plan monolithic applications to

floor-to-ceiling private spaces, PREMISE addresses the most diverse and demanding requirements with a single platform. Plan for now and for later—PREMISE anticipates the future and is prepared to adapt.

Its expressive design, versatility, and responsiveness make PREMISE the choice of organizations of every size and type. From the open plan to private offices, PREMISE can be scaled up or down to achieve a variety of looks.

Panels: Graphite, Luna Stepping Stones Flaxseed, Haworth Shimmer Moonlight. Tackboard: Haworth Horizon Sweep. Worksurfaces: Linen laminate. Storage: Metallic Gunmetal, Plaster, Beachwood. Zody Task Seating: Relax Mesh back, Wicker seat.

Panels: Graphite, Clear glass, Luna Stepping Stones Flaxseed, Haworth Shimmer Moonlight. Worksurfaces: Linen laminate. Storage: Metallic Gunmetal, Plaster, Beachwood. Zody Task Seating: Relax Mesh back, Wicker seat.

Emphasizing Haworth's commitment to customers, PREMISE intelligently offsets the cost and complexity associated with an evolving workspace. No other system allows for such a variety of applications, configurations, and technology demands.

Stack PREMISE from floor to ceiling or blend monolithic and stackable panels. PREMISE is based on a simple kit of parts with universal connectors for easy installation and reconfiguration. In addition to its architectural feel, the 3" profile increases utility

capacity with lay-in cabling at the base, worksurface, and standing height. And PREMISE was the first to incorporate user-friendly options such as tackable surfaces, grommets, and locking storage as standard.

PREMISE is anything but predictable—its sweeping design capabilities allow welcome variation throughout the floorplate. Innovative elements and materials impart a lighter scale, add interest to the landscape, and make the most of daylight and views. Even simple open applications can incorporate glass and translucents to connect with the environment.

From private offices and classic workstations to basic call centers, versatility makes PREMISE the platform of choice. Vary height and depth throughout the floorplate for greater architectural interest, choose laminate and fabric or opt for the sophistication of wood

and glass, and add features and functionality to suit any application. PREMISE draws on consistent elements to simplify specification and enhance reconfiguration, while making the product line scalable for any budget.

Panels: Graphite, Clear glass, Luna Stepping Stones Glance. Translucent Overhead Storage: Patterned Silver. Translucent Topper: Basic White.  
Worksurfaces: Linen laminate. Storage: Plaster, Beachwood. Zody Task Seating: Relax Mesh back, Wicker seat. Mobile Pedestal: Carnegie Exposure 12 seat pad.

## PREMISE excels at blending privacy with collaboration enhancing elements using a common design logic.

Create balance through form, materials, and textures with a consistent aesthetic. Unique design features such as an open base and translucent toppers, banners, and canopies

lighten the scale and add interest, but they also provide a measure of privacy and allow light to penetrate deeper into the space. The open base also increases airflow to individual workstations.

Panels: Graphite, Clear Glass, Haworth Kio Yippi Kio. Worksurfaces: Linen laminate. Translucent Overhead: COM translucent. Zody Task Seating: Relax Mesh back, Karakul Kink seat.

Exercise your options.

Combining PREMISE with distinct Moxie visual privacy elements, open-base components, and freestanding tables means reconfiguration requires minimal modification.

Panels: Metallic Silver, Potter Coilpot. Worksurfaces: Chalk laminate. Transluents: Lime. Canopies: White.

PREMISE provides remarkable power and data capacity with Power Base.™ This industry leading power platform provides both 3- and 4-circuit solutions for any workspace application. Only PREMISE provides vertical and horizontal lay-in cabling that can be routed and accessed at the base, worksurface, or standing height.

Panel-mounted elements balance the need for visual privacy with the benefits of access to daylight.

Off-modular options offer unlimited flexibility, creating a distinctive look and meeting a broad range of space challenges.

Jump®Stuff worktools help users organize their spaces to match their individual workstyles.

Up-mount overhead storage adds to the visual interest of the landscape while making the most of available space and reducing overall panel height. Upward-opening doors discourage clutter and keep the space clean.

# Statement of Line

A sampling of the extensive PREMISE product offering.

## Panels

**Monolithic**  
Heights: 32", 42", 48", 53", 64", 80"  
Widths: 18", 24", 30", 36", 42", 48", 60"

**Super Base**  
Heights: 32"  
Widths: 18", 24", 30", 36", 42", 48", 60"

**Monolithic Single Pad**  
Heights: 42", 48", 58", 64"  
Widths: 18", 24", 30", 36", 42", 48", 60"

**Monolithic Glazed**

**Stack Pads**

## Screens

**Topper**

**Banner**

**Freestanding**

**Canopy**

## Overhead Storage

**Standard Mount, Up-Mount**

**Open Shelf**

**OneTouch® Overhead**

**Panel Mounted Lighting**

## Doors

**Door**  
Finishes: laminate, wood

**Sliding Door**  
Finishes: clear glass, frosted acrylic

## Panel-Mounted Worksurfaces

**Rectangular**

**Rectangular Split-Top**

**Rectangular Transition**

**Rectangular Radius End**

**120° Link**

**Countertop**

**Corner, 90° Straight Front**

**Corner, 90° Split-Top**

**Corner, 90° Wrap-Around**

**Corner, 120° Wrap-Around**

**Corner, 90° Wrap-Around Extended**

**Corner, 90° Wrap-Around Transitional Extended**

**D-Shaped Convergent Wrap-Around**

**Conference End**

**D-Shaped Convergent**

## Tables

**Rectangular Convergent**

**Concentrative**  
Angles: 120°, 90°, 60°

**Collaborative**

**Transactional-Asymmetric**

**Transactional-Symmetric**

PREMISE is available in a variety of finishes: fabric, metal, perforated metal, glass, acrylic, wood, marker board, or slotted for paper management.

PREMISE can be designed to complement the way organizations naturally grow and change, making it a smart investment in the future.

PREMISE fulfills virtually any customer objectives—whether to create a visually intriguing environment, support occupant comfort and performance, enable powerful technology routing, or complete the space with a single, budget-friendly platform.
