

Tactics

HAWORTH®

The way to work anywhere.

Scores of options respond to many needs. Tactics offers four leg designs and multiple table shapes for endless aesthetic and functional opportunities. Choose from a multitude of laminate colors and veneers, plus a host of trim colors.

Wave Edge

Ergonomic Easy Edge
Our exclusive Easy Edge (standard on all C-leg tables) provides a natural wrist rest that doesn't press into the arm.

Exercise your options.

Tactics tables bend and stretch work environments — for spur-of-the-moment meetings, teaming and interim work areas. With easy docking, ganging and configuration capabilities, Tactics tables make anything possible.

Combine Tactics within systems for easy collaboration. Or use independently and create half-moons, hexagons, rectangles, racetracks — or whatever else your environment demands. Tactics tables do whatever you ask — and do it well.

The next best thing to wireless.

The C- and T-leg tables accommodate Haworth's Power Base™, with a choice of 3- or 4-circuit wiring configurations. Receptacles are easily accessible and power can run from table to table, while wires nearly hide away.

Folding Mechanism and Lightweight Top
Tactics' folding mechanism combined with the optional lightweight top make Tactics easy to move and simple to store.
