Tempo is inviting wherever it's used. With many design options, a 24/7 warranty, and a bariatric chair as part of its family, Tempo is a smart choice for any healthcare facility. The line's modular units, comfort, and understated design make it the perfect choice for many other applications such as corporate reception areas and offices. The arms curve for comfort and extend beyond the chair's frame to assist users in sitting and standing.

Tempo

Specify Tempo fully upholstered or open. Choose arms in maple laminated plywood or soft, molded urethane for high traffic areas.

Tempo Fully Upholstered/One Seat
SH: 17 ½" (445mm)
H: 33 ¾" (857mm)
