

C.E.O. Cube

Poltrona Frau | Lella and Massimo Vignelli | 2008 | Imported from Italy

Features and Specifications

Desks

Tubular steel and MDF frame with top and sides available in wood veneer or upholstered in leather. The central panel on the desktop is always leather. An optional modesty panel is made of aluminum and upholstered in leather to match the central panel. Steel crossbars allow for cable management.

Desks with Cube

Tubular steel and MDF frame with top and sides available in wood veneer or upholstered in leather. The central panel on the desktop is always leather. An optional modesty panel is made of aluminum and upholstered in leather to match the central panel. Steel crossbars allow for cable management. The cube is upholstered in leather and pivots on casters. The front of the cube has locking drawers (two for storage and one for filing). Drawers have black interiors and polished aluminum drawer pulls. The side of the cube has an open compartment divided by a grid of six shelves in polished aluminum.

Drawer Unit

MDF frame upholstered in leather. The unit has locking drawers (two for storage and one for filing). Drawers have black interiors and polished aluminum drawer pulls. The drawer unit rests on swiveling casters.

Drawer Insert

Sheet metal construction, upholstered in black saddle leather with chrome plated steel dividers.

Additional Notes

Handedness is determined by the user when sitting at the desk.

When leather is specified, different colors may be specified for the central panel, side panels, and cube.

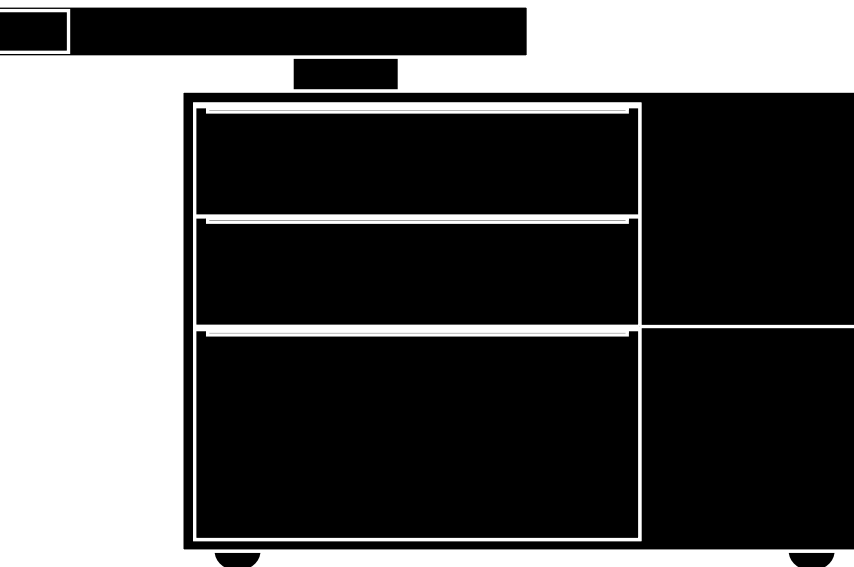

Surfaces

Leather

Pelle Frau® Color System (70)

Wood

Canaletto Walnut (H3-29)
