

LTB by Haworth

Thierry Blet and Catherine Le Teo | 2014

LTB seating is designed to inspire collaboration, drawing informal groups together to spur creativity. The line is modular, with benches, cushions, and armrests configured to suit the need. Use your imagination. Create sofa-like pieces, benches, gracefully curved public seating, or informal seating for meeting rooms and huddle spaces. Upholstered in fabric, leather, or Brisa faux leather.
