

Improv<sup>®</sup>

HAWORTH<sup>®</sup>

## Proven performers

The Improv Seating Family provides a variety of real seating solutions. The easily adjustable Improv H.E. and the aesthetically ergonomic Improv Tag and Improv S.E., along with the simplicity of the desk chair and the versatility of the side chair, present a complete selection of comfortable seating.

## A lasting impression

Reflect both your personality and the way you like to work. Improv Tag and Improv S.E. provide a variety of options to suit your individual needs. From private offices to conference rooms, you'll have all the ergonomic agility you should expect from a task chair, while maintaining your sense of style. Improv Tag features a choice of six soft mesh back colors and a variety of seat fabrics. The stylish Improv S.E. features a form-fitting square or round mesh back. Both support the user's natural back shape for a comfortable form of self-expression.

## Ergonomic design

Accommodating people of all types and sizes, the Improv H.E. demonstrates the range and talent of the Improv series in a task-intensive environment. Like its more dramatic counterparts, the Improv Tag and Improv S.E., all deliver exceptional ergonomic comfort with a full range of support features. The Improv H.E. is also available in XL and Stool versions.

## Make it your own

Comfort is a function of smart design, and smart design comes from understanding individual needs. Improv adapts to unique body types and sizes. From 4'10" to 6'9", the Improv Tag, Improv S.E., and Improv H.E. will adjust for a perfect fit. Every time.

### 1 Back-Height Adjustment

(H.E. only) Chair back adjusts 4" vertically.

### 2 Seat-Depth Adjustment

Accommodates a greater range of the population with 3" of horizontal seat pan movement.

### 3 Adjustable Air Lumbar

(H.E. only) Allows for an additional  $\pm 1\frac{1}{2}$ " of horizontal lumbar support.

### 4 Pneumatic Seat-Height Adjustment

Raises or lowers the chair. Seat height ranges from 15" to 22", accommodating users from the 5<sup>th</sup> to the 99<sup>th</sup> percentile. Choose from standard, two-stage, and low-position options.

### 5 Tilt-Tension Control

Increase tension for firm support, lessen tension for ease of recline.

#### Synchronized Tilt

Seat pan simultaneously drops at 2:1 ratio when chair is reclined.

Improv offers a large selection of arm styles. **Task Arm Fixed.** **Height-Adjustable Task Arm** Fingertip adjustable up to a 4" vertical range. **Flipper Arm** Rotates 360° laterally and adjusts 5" vertically, using only fingertips to activate. **3D Arm** Range of 3" arm width, rotates 360° laterally and adjusts 4" vertically, using only fingertips. **Armless.**

- 6 Waterfall Edge**  
Encourages good blood flow, reducing leg fatigue.
- 7 Hang Tag**  
Provides instructions on how to adjust to best support your needs.
- 8 Forward Tilt**  
Offers two lockable seating positions, horizontal and forward; or  
**Back Lock**  
Offers two lockable positions, upright and reclining.
