

Improv® Side Chair

HAWORTH®

Elements of style, the height of versatility

With broad appeal and many options, the Improv Side Chair rounds out the Improv Seating Family. Perfectly at home in reception and teaming areas, as additional office seating, or in classrooms and lobbies, it represents the height of versatility.

Choose either sled-base or stackable leg-base chairs. Specify casters for added mobility or the wood back for a look of casual elegance. With its unique elliptical steel tubing and fluid design, the Improv Side Chair fits into a range of settings, from casual to upscale. Ganged seating, in-line seating, tablet arms, and occasional tables further enhance your options.

Stool shown with Upholstered Back

Leg-Base Stacking Chair shown with Polypropylene Back

Wood-Back

Sled-Base

Ganged Leg-Base Chair with 14" Tablet Arms provides enough room for a laptop. Tablet arms flip up for easier seating access and stackability.
