Pendant with One or Multiple Lights

Swell indoor/outdoor pendants feature interchangeable, spun aluminum shades. The LED lights are fully dimmable. The sockets and check-rings are made of aluminum. The canopy and mounting hardware are made of steel. Pendants with multiple lights come with a white canopy. Pendants with one light come with a canopy that matches the color of the cord.

String with One or Multiple Lights*

Swell indoor/outdoor string lights feature interchangeable, spun aluminum shades. The LED lights are fully dimmable. The sockets and check-rings are made of aluminum. The canopy and mounting hardware are made of steel.

ADDITIONAL NOTES

Shades with a black or brass exterior come with a black cord. Shades with a white exterior come with a white cord.

All Swell lighting is damp rated and ETL and RoHS certified. Swell complies with Dark Sky, and Title 20.

* When purchasing Swell Strings with One Light, an Accessory Kit containing a power feed cord and canopy must be purchased, UNLESS the light is added to an existing string which already contains a power feed cord and canopy. Additional lights can be added individually, up to 34 lights.

** Swell String with Mixed Lights comes standard with a vertical mounting kit included. If desired, a Horizontal Mounting Kit may be purchased separately. The Horizontal Mounting Kit is 30 feet long and supports up to 12 lamps.
