In Stock Inventory

Haworth Collection | Updated December 6, 2017

In Stock Inventory items deliver within three weeks. However, stock levels fluctuate daily. Occasionally, items showing availability may become temporarily out of stock. In those circumstances, your order will ship as soon as replacement stock is received.

Please refer to the delivery date on your acknowledgment once your order has been placed. Note that the original acknowledgment may show a date with the standard lead time for your order, but this date will be corrected (usually within three business days) if the items on your order are in stock. If you have questions about your order, please contact your customer service representative.
