

Product Environmental Data Sheet

Sector: North America

Very Side®

Category: Seating

For flexible spaces where people meet or wait, Very side chairs feature slender profiles and light-scaled design, making it easy to arrange and rearrange seating. They combine individual comfort and functionality for enjoyable short-term sitting.

Very Side is manufactured in a zero landfill, ISO 9001 and ISO14001 certified facility in Bruce, Mississippi and is transported in freight vehicles with optimized volume for efficient use of loading space. When a product reaches the end of its useful life, customers and partners are encouraged to avoid landfilling and instead pursue second life options.

Recycled Content

Recyclability

Material	Material Weight
Steel	6.94 lbs (50%)
Plastic	5.22 lbs (38%)
Fabric	0.99 lbs (7%)
Foam	0.63 lbs (5%)
Other	0.08 lbs (1%)
Total	13.86 lbs (100%)

Life Cycle Assessment (LCA)

Carbon Footprint	30 kg CO ² eq.
Acidification	0.10 kg SO ₂ eq.
Eutrophication	0.018 kg N eq.
Smog	1.7 kg O ₃ eq.
Ozone Depletion	2.30E-07 kg CFC11 eq.

Impact by Life Cycle Stage

- Procurement
- Manufacturing
- Distribution
- End of Life

Material Chemistry

Haworth is committed to providing our customers with products that support safe and healthy environments. We are working diligently toward the ongoing reduction of hazardous chemicals associated with parts and materials we source, as new safer alternatives become commercially available.

These include, among others, PVC, benzidine dyes, hexavalent chromium, certain hazardous phthalates, PBDE flame retardants, and those chemicals known to contribute towards ozone depletion.

We are committed to achieving our goal of being transparent with our customers on our progress.

Haworth Banned Chemical List Compliant

Certifications

Greenguard Gold Certified
 Certification # 4965-420
 Refer to spot.ul.com for certificate

BIFMA Level 2 certified
 Refer to NSF.org for certificate

mindful MATERIALS

Building Standards

In support of building standards such as Leadership in Energy and Environmental Design, LEED® v4 and WELL Building Standard®v2:

Low Emitting Materials:

- Most Haworth products comply with ANSI/BIFMA e3-2014e Credit 7.6.1 and 7.6.2 demonstrated via GREENGUARD certificates found on spot.ul.com

Responsible Sourcing of Raw Materials:

- Most Haworth wood products are available as FSC® Mix 70%.
- Most Haworth products are composed of high recycled content.

Environmental Product Declarations (EPDs):

- Product-specific Type III EPDs are available for select high-volume products.
