

Very®

PRODUCT SHEET

HAWORTH®

When people spend 90 percent of their time at work indoors, health and well-being are a top priority—and an important strategy for recruiting top talent. Very seating was born out of global design and science-led comfort, offering ergonomic support for people at work. It's a multi-dimensional family with a broad application range, fresh scope of color, and research-based comfort—proving you value your employees through workplace design that fosters well-being and improves performance.

Very Comfortable

The Very task chair offers personalized comfort for a variety of seated activities. Its patented lumbar support, with asymmetrical control and supportive mesh, enhances comfort to help people stay productive. Very seminar and conference chairs provide intuitive recline and side-to-side torsional flex to increase mobility and comfort.

Very Versatile

People accomplish a variety of tasks throughout the day. From simple comfort to high ergonomic performance, there's a Very chair for everyone, for visual consistency throughout the building. The Very family features chairs for private offices, conferencing, cafeterias, patient rooms, classrooms—and all points in between.

Very Responsible

Try finding a task chair with as many ergonomic benefits—and up to 65 percent recycled content—that's also 98 percent recyclable. Very seating is easy on the environment: It's BIFMA level 3 certified, GREENGUARD® GOLD certified, and may contribute toward LEED® credits.

Seated Height Options

Very stools have built-in intelligence for user comfort. The Very side and conference stools provide intuitive recline, ensuring user weight is absorbed and distributed to provide natural support. Side-to-side torsional flex allows the backrest to follow the user as they move, increasing mobility and comfort when reaching sideways for objects.
