

HAWORTH®

Fern™ | Seating

## More Human, Less Machine

Inspired by the fluid strength and beauty of nature, Fern provides new levels of balance, flexibility, and performance. It's designed from the inside out, putting the person at the center—for a holistic sitting experience.

## Evidence-Based Comfort

Grounded in extensive science-based ergonomic research, Fern is distinctively responsive to each individual. Years of comfort studies, 5.5+ billion data points, and validated correlation to comfort ensure a large percentage of people find Fern comfortable.

## Total Back Support

Fern enhances the sitting experience by providing the ability to move with natural freedom, comfort, and total support—from the neck to the pelvis. The Wave Suspension™ system is key to its flexibility, actively responding to your every movement. Fern is an intuitive chair that envelops your body to offer unparalleled levels of edgeless comfort.

## Design Choices

Fern's soft, approachable aesthetic and broad array of finish options allow it to integrate into any environment, or make a statement—whatever fits with your design approach—from expressive to restrained and warm to cool.
