

Very®

Side and Seminar Seating

People accomplish a variety of tasks throughout the day. From simple comfort to high ergonomic performance, there's a Very chair for everyone. This family of seating offers versatility in choice and visual consistency in design throughout the building. For flexible spaces where people meet or wait, Very side and seminar chairs provide slender profiles and light-scale design, making it easy to arrange seating on the spot.

HAWORTH®

Smart Choice for Comfort and Style

Very seating was born out of global design and science-led comfort, offering ergonomic support for people at work. The Very seminar chair features a unique intuitive recline, ensuring your weight is absorbed and distributed to provide natural support. Its side-to-side torsional flex allows the backrest to follow you as you move, increasing mobility and comfort. Side seating is available in a chair or stool for seated or standing-height preferences.

Features

Haworth collaborates with ergonomic research and development partners to understand the physical relationship between a person and a seating surface. We apply this knowledge to create ergonomic and comfortable solutions that best support people in the seated position.

Back – Provides durability through high-strength polymer with flexing perforations.

Tetro™ back – Delivers soft yet reliable support and comfort in an innovative one-piece seat back.

Statement of Line

Seat – Provides a secure sitting experience through durable, high-strength polymer.

Optional upholstered seat and back pad – Offers additional comfort for longer periods of sitting, as well as aesthetic detail.

Frame – Available painted or in trivalent chrome.

Arms – Available in Black or Fog glass-filled polypropylene hard arm caps for durability and choice in color.

Casters or glides – Create choices for mobility.

Side stool – Available in counter height or bar height.

Seminar Chair – Features weight-assisted recline mechanism for comfort and movement while seated.

Stacking – 5-high on the floor or 8-high on a cart with glides and casters.

Optional tablet arm – Flips up and folds away.

Optional storage rack – Creates a place for books and personal items.

Colors, Materials, Finishes

Choose from 10 standard polymer colors and 25 standard fabric choices—for quiet sophistication or vibrant diversity. Leather and faux leather are available.
