Poltrona Frau | Lievore, Altherr, Molina | 2008 | Imported from Italy

## Features and Specifications

### Lounge Modules

Cassiopea is a modular system. The various modules allow for linear or cornered layouts. The birch plywood frame is polyurethane foam padded, while the seasoned beech and birch plywood seat is padded with polyurethane foam and polyester wadding. Each lounge piece contains no-sag steel springs. The back and armrest cushions are in goose down, with a polyurethane foam insert to maintain shape. Each piece comes fully upholstered in Pelle Frau® Color System leather.

## Additional Notes

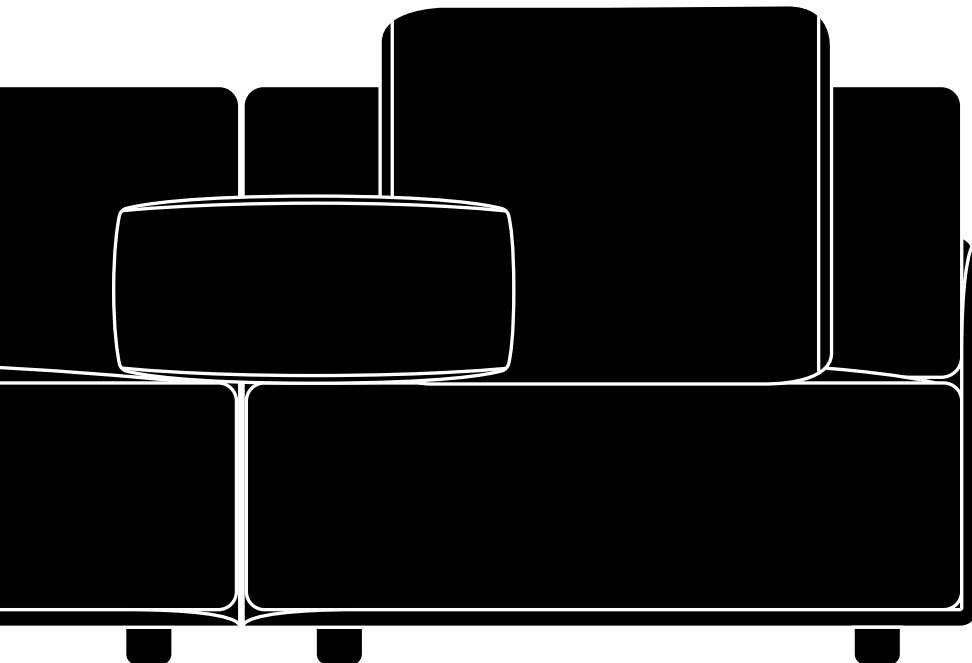

Arm handedness is determined by the user when seated.

Cassiopea tables and pillows compliment Cassiopea seating.
