

Lotus

Cappellini | Jasper Morrison | 2006 | Made in the United States

Features and Specifications

Conference and Executive Chairs

The seat and back are made of molded plywood with polyurethane padding. Lotus is height adjustable and features a locking tilt mechanism. The five spoke base is made of polished chrome die-cast aluminum with casters in the same finish. The casters are made of grey plastic, and are suitable for semi-soft surfaces.

Additional Notes

In addition to the standard colors listed to the right, Lotus is available in all other colors of Pelle Frau® Color System (LG) at extended lead times. Refer to surfaces.haworth.com for surface codes and additional information.
