Features and Specifications

Pillows

Bandas Space pillows are comprised of a wool exterior with a polyester filling.

Additional Notes

New wool pillows may shed fibers during the first few months. This is a normal characteristic of wool and is in no case a sign of deficient quality. Each pillow is made by hand and therefore has a unique design. Variations in size (not exceeding 5%) may occur. Any variations in the fabric or color are not errors or defects.

Bandas Space runners compliment Bandas Space seating and pillows.
