

Cabana Lounge™ Table

Category: Tables

Cabana Lounge offers a simple, modular statement of line that includes thoughtfully integrated worksurfaces, embedded power options in seating and tables, visual privacy, and application flexibility. Three table shapes, with or without an optional tier can be attached to seating or freestanding and are offered in painted MDF or wood.

Cabana Table is manufactured in Holland, Michigan, USA and is transported in freight vehicles with optimized volume for efficient use of loading space. When a product reaches the end of its useful life, customers and partners are encouraged to avoid landfilling and instead pursue second life options.

Material	Material Weight	
Fiberboard	30.16 lbs	(71%)
Steel	7.32 lbs	(17%)
Aluminum	4.90 lbs	(12%)
Plastic	0.10 lbs	(0%)
Total	42.48 lbs	(100%)

- Manufacturing
- Distribution
- End of Life

Material Chemistry

Haworth is committed to providing our customers with products that support safe and healthy environments. We are working diligently toward the ongoing reduction of hazardous chemicals associated with parts and materials we source, as new safer alternatives become commercially available.

These include, among others, PVC, benzidine dyes, hexavalent chromium, certain hazardous phthalates, PBDE flame retardants, and those chemicals known to contribute towards ozone depletion.

We are committed to achieving our goal of being transparent with our customers on our progress.

Building Standards

In support of building standards such as Leadership in Energy and Environmental Design, LEED® v4 and WELL Building Standard®v2:

Low Emitting Materials:

- Most Haworth products comply with ANSI/BIFMA e3-2014e Credit 7.6.1 and 7.6.2 demonstrated via GREENGUARD certificates found on spot.ul.com

Responsible Sourcing of Raw Materials:

- Most Haworth wood products are available as FSC® Mix 70%.
- Most Haworth products are composed of high recycled content.

Environmental Product Declarations (EPDs):

- Product-specific Type III EPDs are available for select high-volume products.
