

Contour

by Pablo Designs

Pablo Studio | 2015

Contour table and floor lamps create an intriguing window into your office or lounge setting. The slender extruded aluminum frame captures warm, fully dimmable, and glare-free illumination. It also serves as a resting place for belongings. Highly efficient, the LED array has a 50,000 hour rated lifespan. Contour features a woven fabric or premium hardwood interior, as well as a USB charging port on the table version.
