

Bandas Space

GAN | Patricia Urquiola | 2014

Bandas Space is a playful line of rugs with unlimited flexibility. Use them alone, place them end to end for a long runner, or mix and match patterns to create wider rugs with unique designs. Crafted of 100 percent wool and embellished with a variety of decorative techniques, Bandas Space brings the warmth and comforts of home to the workplace. Bandas Space rugs are made by hand and available in colors unique to Haworth, so no two are alike.
